

DATASHEET

Yealink EXP43

Colour expansion module for busy receptionists and assistants

The EXP43 module adds a 4.3-inch colour screen and 60 programmable keys to your Yealink T43U or T48U phone. Ideal for reception desks: extension monitoring (BLF), speed dial and one-touch transfers.

Key features

- 4.3-inch (272 x 480) colour screen with colour icons
- 20 physical dual-colour LED keys over 3 pages — up to 60 programmable features
- 3 independent LED control keys for fast page switching
- Features: BLF, speed dial, forward, transfer, call park and call pickup
- Compatible only with Yealink T43U and T48U phones
- Up to 3 modules daisy-chained on a single phone
- Free USB port on the back — call recording to a USB flash drive

\$138.60 — one-time fee, RNT preparation included

Manufacturer suggested and mandated price (MSRP/MAP). Brand-new device, Canadian manufacturer warranty, configured and tested in our lab — plug it in and everything works.
