

DATASHEET

Grandstream GXP2200EXT

Extension module — call monitoring and control for reception
(GXP2170 compatible)

The ideal companion to the GXP2170 for reception: each module adds monitoring and speed-dial keys with at-a-glance visibility of company extensions.

Key features

- 128×384 backlit LCD display
- 20 programmable dual-colour buttons per module, 2 pages — 40 contacts per module
- BLF, speed dial, presence, intercom, call park/pick-up
- Bridged/shared line appearance (BLA/SCA), conference, transfer, forward
- Daisy-chain up to 4 modules: 160 contacts/extensions
- Compatible with GXP2140, GXP2170 and GXV3240 phones

\$139.95 — one-time fee, RNT preparation included

Manufacturer suggested and mandated price (MSRP/MAP). Brand-new device, Canadian manufacturer warranty, configured and tested in our lab — plug it in and everything works.
