

DATASHEET

Yealink T31G

Entry-level IP phone with Gigabit networking and HD voice

The Yealink T31G builds on the T31P's simplicity by adding dual Gigabit Ethernet ports for faster networks. Its two SIP accounts, HD voice and built-in PoE make it a smart choice for the modern office.

Key features

- Backlit 2.3 in (132 x 64) graphical LCD
- 2 SIP accounts and local 5-way conferencing
- Dual-port Gigabit Ethernet with PoE (IEEE 802.3af)
- Yealink HD Voice, full-duplex speakerphone, Smart Noise Filtering
- 2 line keys with dual-colour LEDs, BLF support
- EHS wireless headset support, wall mountable
- Stand with 2 adjustable angles
- Power adapter included

\$155.46 — one-time fee, RNT preparation included

Manufacturer suggested and mandated price (MSRP/MAP). Brand-new device, Canadian manufacturer warranty, configured and tested in our lab — plug it in and everything works.
