Yealink T58W

Android smart phone with CAM50 camera for desktop video calls

Powered by Android 9.0, the T58W with camera turns the desktop into a video conferencing solution with its detachable CAM50 camera. A 7-inch touch screen, 16 SIP accounts and built-in wireless connectivity complete the package.

Key features

- Adjustable 7-inch multi-touch capacitive screen (1024 x 600) running Android 9.0
- Up to 16 SIP accounts
- Dual-port Gigabit Ethernet with PoE support
- Built-in dual-band 2.4/5 GHz Wi-Fi and Bluetooth 4.2, dual USB 2.0 ports
- Optimal HD audio with Yealink Noise Proof technology and full-duplex speakerphone
- 27 one-touch DSS keys on screen, BLF, up to 3 EXP50 expansion modules
- Detachable CAM50 camera included: 720p30 HD video, 3-party video conferencing (10-party mixed), wall mountable

\$754.60 — one-time fee, RNT preparation included

Manufacturer suggested and mandated price (MSRP/MAP). Brand-new device, Canadian manufacturer warranty, configured and tested in our lab — plug it in and everything works.
