Yealink W57R

Rugged portable IP54-certified DECT handset for demanding industrial environments

IP54-certified, the W57R withstands dust, splashes and drops up to 3.5 meters — ideal for warehouses and job sites. Its 40-hour talk time makes it a tireless mobility companion.

Key features

- IP54 protection rating: resistant to dust and water splashes
- Withstands drops up to 3.5 m, shockproof rubberized and disinfectant-resistant surface
- 1.8-inch TFT color screen (128 x 160) with backlit keypad
- Up to 40 h talk time and 575 h standby (1460 mAh battery)
- Vibration alarm for noisy environments
- Belt clip included and quick charging (10 min for 2 h of talk time)
- HD audio with Flexible Noise Reduction (FNR), compatible with W70B and W80/W90 systems

\$278.60 — one-time fee, RNT preparation included

Manufacturer suggested and mandated price (MSRP/MAP). Brand-new device, Canadian manufacturer warranty, configured and tested in our lab — plug it in and everything works.
